11 WISHES GRANTED IN 2023

70 WISHES GRANTED IN 2022

AND 280+ WISHES GRANTED TO DATE!

Ally's Wish is working to bring joy and lasting memories to families of mothers with terminal illness. Wishes are more than just a nice thing. They are far more than gifts, or singular events in time. We create the ultimate wish for a mom suffering a terminal illness - one last big, joyful memory with her kids! There are 173 moms on the waitlist for wishes to be granted. This is the heartbreaking reason why we exist. Your generous support makes it possible to continue to grant these wishes!

www.allyswish.org

Ally's Wish, Inc. is a nonprofit corporation organized and operated exclusively for charitable purposes, specifically the sole purpose of Ally's Wish is to provide a last "wish" to young, terminally ill mothers with small children.

SPOTLIGHT ON WISHES

ALYSE CHIN

Alyse is a Florida mom of two teenage daughters who recently traveled to Hawaii! She enjoyed the escape from her battle with stage 4 Breast Cancer.

Dear Marta & the Ally's Wish Organization,

I want to express my deepest appreciation for the once in a lifetime trip to Hawaii that you made possible. The experience was unlike any other and I feel incredibly grateful for your generosity. During my Hawaiian vacation, I had the chance to spend precious time with my family, exploring the island in ways I never thought possible. I hiked down into the crater of a volcano (hiking back up wasn't quite the same) and the view was unlike anything I've ever seen (see photo). I also had the chance to hike amongst the waterfalls, which was another experience I will never forget. Watching my daughters surf in the North Shore was also an unforgettable moment that we will always treasure. The trip to Hawaii that your organization provided me with was truly a gift. I am so grateful for everything that you have done for me, and for the amazing work that your organization does every day to help other moms like me. Thank you again, from the bottom of my heart.

DANIELA MARTINEZ

Daniela is a 29-year old mom. She is battling Triple Negative Metastatic Breat Cancer. She recently traveled to Alaska, where her 2 year old daughter saw snow for the first time!

Marta,

We are almost done settling back in after our amazing trip. I wanted to express my gratitude to you and everyone at Ally's Wish. I was able to check so many things off my bucket list! I got to see my daughters face when she saw snow for the first time, went to the top of the space needle in Seattle, saw the NORTHERN LIGHTS! And everything was made easy and possible for us thanks to Ally's Wish. We made so many beautiful memories as a family and the places we visited will be special to all of us forever. Thank you for giving me this opportunity and helping my daughter make memories with her mom.

WITH GRATITUDE

We remain grateful for and humbled by the continuing support of our generous sponsors and volunteers!
